## Science, Reality and Credibility

Nobel Laureate Saul Perlmutter will talk about science and critical thinking and how we can face a world where facts and critical thinking are not as important components as it should.

Saul Perlmutter is a 2011 Nobel Laureate and shared the prize in Physics for the discovery of the accelerating expansion of the Universe. He is a professor of physics at the University of California, Berkeley.

**Date:** June 17, 16:00 - 18:00

**Place:** FR4 (Kleinsalen), AlbaNova

The lecture is open to the public
